Welcome!

Some things to know:

Tuition policies:

Tuition is based on a 4 lesson month. If there are 5 lesson days during the month then we take the 5th one off.

- Tuition is due on the last lesson of the month for the subsequent month. For example: September tuition is due on the last lesson of August.

One make-up lesson per month will be permitted with 24 hours notice given to me by telephone at home or on my cel phone. No make-up lessons will be given for day-of cancellations, missed lessons without 24-hour notice will be forfeited. You may be dropped from lessons if you NO-SHOW/NO-CALL twice. I will do my very best to communicate my schedule with you and if I mess up I will make it up to you.

Rates:

½ hour lesson \$80 per month

45 min lesson \$120 per month

1 hour lesson \$160 per month

Recitals:

There are at least 2 recitals per year in December and June. Due to the efforts required for the recital, generally December and June are 3 lessons plus the recital (sometimes there are exceptions to this!) Tuition remains the same.

Practice guidelines:

For beginning students strive to practice 3 times per week for 15 minutes.

By the end of the first year you should be practicing 5 times per week for 30 minutes.

As 2 years approach it is time to be practicing 1 hour a day 5 times per week.

After 2 years – it's whatever it takes to get it right.

Practice what is hard for you more than what is easy for you.
